Please note: This schedule is subject to not only the daily acoustic forecast, but also to tide times, weather conditions and operational requirements. Any one, or a combination of these factors, may mean that the activity has to be cancelled and rescheduled at short notice and it may not always be possible to provide you with an updated schedule of work.

Please note: QinetiQ conducts work at MOD Pendine on behalf of the MOD, under contract with the Secretary of State for Defence. Because of the nature of the work, QinetiQ is limited as to the level and detail of information it can provide in these communications.

If you wish to receive this information via email, please send your request to: pendineinfo@QinetiQ.com
