

The sports group is currently working with Carmarthenshire County Council to obtain a lease for the sports hall at the Ferryside Educational Centre. More news of this will be available soon. The group is hoping to offer as many indoor sports as possible.

In the meantime, outdoor play continues on the Sports court. Football, hockey, tennis, netball, basketball and many other sports are enjoyed. On the playing field, the Cricket Club will be in full swing when the weather improves.
